Brief CV

Dr Geetha is a Senior Consultant Paediatric Cardiologist and the Director, Adult Congenital Heart Disease Services, National Heart Institute (Institut Jantung Negara), Kuala Lumpur. Her expertise is in Adult congenital heart disease; Pulmonary Hypertension; Pregnancy and heart disease; and Marfan and Aortopathy. She is the current president of the Malaysian Paediatric Cardiac Society and President Elect of the International Society of Adult Congenital Heart Disease.

She completed her paediatric cardiology fellowship training in Royal Children Hospital, Melbourne and Adult Congenital Heart Disease training in Royal Brompton Hospital, London, United Kingdom.

Dr Geetha was also involved in developing in Malaysia Clinical Practice Guidelines on Pulmonary Arterial Hypertension, Pregnancy and Heart Disease and Prevention and Management of Infective Endocarditis.

Dr Geetha is the committee member for National Confidential Enquiries into Maternal Death in Malaysia.

She is involved in international multicenter trial on pulmonary arterial hypertension for both paediatric and adult e.g. Maestro, Repair, Seraphin, Selexipag, Tomorrow and Salto study.

She is also the advisor for Pulmonary Hypertension Association Malaysia and executive member of the Malaysian Congenital Heart Foundation.
