

Name: Dr Joyce Darshinee Sirisani

Designation: Paediatrician and Paediatric Cardiology Fellow

**EDUCATION:**

- 1) Bachelor of Medicine & Bachelor of Surgery(MBBS) -  
Manipal Academy of Higher Education (1999)
- 2) Masters in Pediatrics (Mmed Paeds) Universiti Malaya (2010)
- 3) Paediatrician and Paediatric Cardiology Fellow in Universiti Malaya (2013- 2018)
- 4) Paediatric Cardiology Fellow National Heart Institute Kuala Lumpur (2018 – present)

I joined the National Heart Institute Kuala Lumpur in 2018. I have completed 2 years of Paediatric Cardiology and currently in my 3<sup>rd</sup> year of Paediatric Cardiac Intensive Care training. In the year 2021, I was given the opportunity to further my training in Paediatric Cardiac Intensive Care at Stollery Children’s Hospital in Edmonton, Alberta, Canada.

I am also involved with the intensive care nurses teaching programme in Institut Jantung Negara as part of the teaching member for our intensive care, drafting and writing guidelines for our intensive unit protocol.
